To whom it may concern:

I am always on the lookout for interesting musicians to attract our musically sophisticated concert patrons. I happened upon the Felonius Smith Trio on the internet and was absolutely struck by their unique sound and the soul that came through in their music. Felonius is a musician with an old soul and his trio mates, Scott and Steve, back him up with Mississippi Blues in their blood.

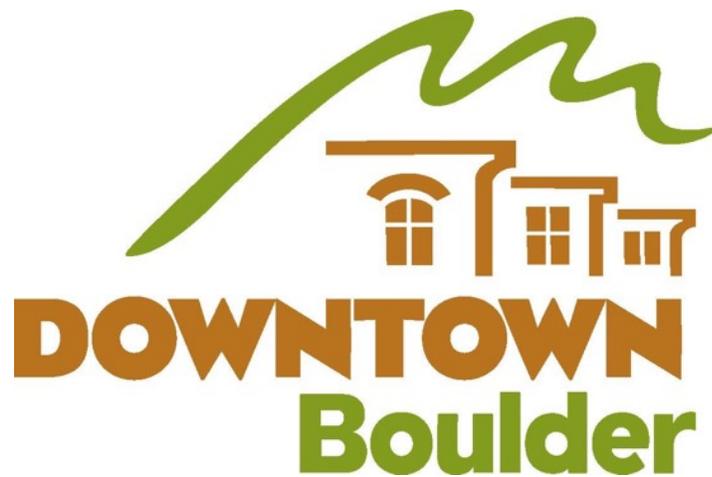

Felonius came to see our venue before the trio played and I was so appreciative that he took the time and energy to do that. We were left with no surprises on concert night. The concert was played with such spirit and excellence that the crowd was on their feet with joy. They really enjoyed Felonius' patter and insightful explanations of instruments and tradition.

We immediately had patrons begging us to bring them back soon, which we will. Please feel free to contact me for a glowing recommendation of this highly professional group. It was a pure pleasure working with them.

Sincerely,

To Whom It May Concern:

I am the booking agent for two different concert series in Downtown Boulder —Bands on the Bricks and Noon Tunes--as well as the Downtown Boulder Fall Festival. I also handle all the music for the events at One Boulder Plaza which is also located in Downtown Boulder.

I would highly recommend Felonius Smith and the members of his trio. In addition to being talented musicians, they are highly professional and extremely easy to work with. I have used Felonius Smith for Noon Tunes, Fall Festival and One Boulder Plaza.

Jeff Smith is an excellent entertainer and really engages the crowd in his performances. His tidbits about the songs and his experiences add to every show. His accompanying musicians are equally talented and very much compliment Jeff.

I think you would be very pleased if you decide to include Felonius Smith in your line up.

Sincerely,

To whom it may concern:

It is with great pleasure that I write this letter of recommendation Felonius Smith. Felonius has performed gigs here at the Boulder Outlook for over a year. The first time I heard him, I knew that we had to have him in our line up. From traditional acoustic blues to early Americana music Felonius is a tremendous performer. Flawless instrumentals, great vocals and a winning stage presence make him one of our favorite acts. I am sure that you won't be disappointed.

Very truly yours,
